ULTRA-LOW DRAG COEFFICIENT

Aerodynamic optimization with 0.22 CD Ultra-low drag coefficient.

ADAPTIVE ELECTRIC SPOILER

Enhancing aerodynamic performance, activated manually or through intelligent activation based on driving conditions.

UNIQUE INNOVATIVE FRAMELESS DOORS

Unified visual lines. Ease of entry and exit.

DOME-STYLE PANORAMIC SUNROOF

Panoramic sunroof extending to the rear ensuring transparent cabin space from everywhere.

STUNNING CURVES

Curved side windows, dynamic waistline Full body roof line, ensuring an ultra-streamlined coupe experience.

INDUCTIVE POWER TRUNK

A powered trunk that ensures ease and convenience.

LIGHT LUXURY INTERIOR

Embark on a journey in luxury with a T-shaped hollow center console inspired by architectural design.

COMFORTABLE AND ENJOYABLE JOURNEY

Front seats designed as ergonomic sport seats with power adjustments, ventilation, and massage functions for a very comfortable experience.

IMMERSIVE AUDIO SYSTEM

An Infinity immersive audio system with 11 speakers, creating a surreal audible experience.

SMART AIR CONDITIONING

Three dimensional airflow smart air conditioning to ensure soft and gentle airflow.

WORRY-FREE RANGE

Bid farewell to range anxiety, with up to 570km of range in a single charge (dependent upon driving conditions).

INTELLIGENT FOUR-WHEEL DRIVE

Real-time precision torque distribution, with 300kW maximum power and 680Nm of torque. 0-100 km/h acceleration in just 4.3 seconds!

AGILE PERFORMANCE

Sporty chassis design, and precise suspension tuning to ensure extremely agile performance on the road.

INTELLIGENT INTERACTION EXPERIENCE

Built on a self-developed full-stack intelligent cockpit platform. Pioneering wisdom achieves more than just astonishing strength.

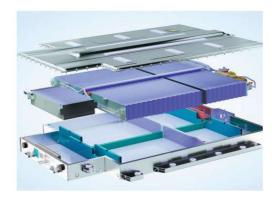

W-HUD

Head Up Display to ensure your eyes are always on the road at all times.

FIVE-FOLD SYSTEM SAFETY PROTECTION

Protective design ensuring the safety of the battery pack.

THE PERFECT FUSION OF AESTHETIC DESIGN AND SERENE TRANQUILITY

Optimized A-pillar tilt angle, coupled with acoustic insulation glass for the front windshield and front doors, effectively ensures interior tranquility during high-speed driving.

STRINGENT CONSISTENCY AND HIGH RELIABILITY STANDARDS

World class reliability standards ensured through the L.E.M.O.N platform.

CAGE-STYLE HIGH-STRENGTH BODY

Constructed of ultra high-strength, hot-formed steel to ensure the body's rigidity and the personal safety of occupants during collisions.

GWM is a world-renowned vehicle manufacturer and the parent company of TANK, HAVAL and ORA vehicles.

At GWM, everything we do is grounded in our corporate philosophy: improving little by little, every day. From building world-class research and development (which enable continuous innovation) to following the 'excessive investment' principle (which drives industry leadership), we relentlessly put our philosophy into practice.

GWM is a pioneer in new energy vehicles (NEV) renowned around the world for decades now, and Ora is a testament to the same.

With over 7 million sales to date in more than 60 countries (and counting), GWM is the go-to choice for NEV vehicles.

Booking an ORA 07 comes with the style and sophistication of a fully electric vehicle, along with compelling power and state of the art production quality. It is a driving experience that embodies speed, robust engineered design, and cutting edge advanced technologies. The ORA 07 is backed by two automotive companies, GWM and SAZGAR, both of which are powerhouses in their own right. Whether it be an extensive history of understanding of the Pakistani market, or the provision of exceptional solutions to all your driving needs, GWM and SAZGAR are the unparalleled combo of making sure your experience is both seamless and abundantly gratifying.

The ORA 07, with its state of the art electric capabilities, and unparalleled safety features, when coupled with SAZGAR's superior support and after-sales services, ensures your driving experiences to be top notch and completely stress-free.

SAZGAR has been producing superior automotive solutions in Pakistan for over 30 years. We understand our market and have been responding to its ongoing driving evolution since day one. We pride ourselves on taking care of you.

SAZGAR was established in 1991 as a public limited company. We have grown to employ more than 1000 people in Pakistan alone. SAZGAR quickly became a household name in the automobile industry, and continues our push to improve life for those who have come to trust our products and expertise. We proudly lay claim to being the first 3-wheeler manufacturer in Pakistan and the only OEM from Pakistan to have its indigenous vehicles exported to more than 25 countries across the globe.

GWM'S GLOBAL FOOTPRINT

GWM's goal is to go global

GWM Group Chairman Jack Wey's Vision "As the founder of this company, I would be extremely disappointed and frustrated if the company ended up as a 'merely Chinese car company' when I retire."
